#### ARTICLE IV

#### Meetings of Members

##### Section 1 - Place of Meeting

All meetings of Members shall be held at the principal office of the Association, or at such other place in said County as may be fixed from time to time by resolution of the Board as close thereto as shall be reasonably possible.

##### Section 2 - Organizational and Annual Meetings

There shall be an organizational meeting held as soon as possible following incorporation of the Association. Subsequent

to the organizational meeting, the first annual meeting of the Members shall be held within forty-five (45) days after sales of fifty-one percent (51%) of the Condominiums located within the initial Covered Property have closed escrow, or within six (6) months after the first sale of a Condominium within the initial Covered Property has closed escrow, whichever occurs first, and each subsequent regular annual meeting of the Members shall be held on the same day of each year thereafter. If the day for the annual meeting of the Members is a legal holiday, the meeting shall be held on the first day following which is not a legal holiday. The Board shall fix the hour for the holding of regular annual meetings.

### Section 3 - Special Meetings

(a) Authorized Persons Who May Call. A special meeting of the Members may be called at any time by any of the following: The Board, the Chairman of the Board, if any, or the President. A special meeting of the Members may also be called at any time by five percent (5%) or more of the Members.

(b) Calling Meetings by Members. If a special meeting is called by Members other than the President, the request shall be submitted by such Members in writing, specifying the general nature of the business proposed to be transacted, and shall be delivered personally or sent by registered mail or by telegraphic or other facsimile transmission to the Chairman of the Board, the President, any Vice-President, or the Secretary of the Association. The officer receiving the request shall cause notice to be promptly given to the Members entitled to vote, in accordance with the provisions of Sections 4 and 5 of this Article IV, that a meeting will be held, and the date for such meeting, which date shall be not less than thirty-five (35) days nor more than ninety (90) days following the receipt of the request. If the notice is not given within the twenty (20) days after receipt of the request, the persons requesting the meeting may give the notice. Nothing contained in this subsection shall be construed as limiting, fixing or affecting the time when a

meeting of Members may be held when the meeting is called by action of the Board or by an officer, as aforesaid.

Section 4 - Notice of Members' Meetings

(a) General Notice Contents. All notices of meetings of Members both special and annual, shall be sent or otherwise given in accordance with this Section not less than ten (10) days nor more than ninety (90) days before the date of the meeting. The notice shall specify the place, date, and hour of the meeting and (i) in the case of a special meeting, the general nature of the business to be transacted, and that no other business may in that case be transacted, or (ii) in the case of the annual meeting, those matters which the Board or persons calling the meeting at the time of giving the notice intend to present for action by the Members.

(b) Notice of Certain Agenda Items. If action is proposed to be taken at any meeting for approval of any of the following proposals, the notice shall also state the general nature of the proposal. Member action on such items is invalid unless the notice or written waiver of notice states the general nature of the proposal(s):

- (i) Removing a director without cause;
- (ii) Filling vacancies on the Board by the Members;
- (iii) Amending the Articles; and
- (iv) Approving a contract or transaction in which a director has a material financial interest.

(c) Manner of Giving Notice. Notice of any meeting of Members, both annual and special, shall be given either personally or by first-class mail, telegraphic or other written communication, charges prepaid, addressed to each Member either at the address of that Member appearing on the books of the Association or the address given by the Member to the Association for the purpose of notice. If no address appears on the Association's books and no other address has been given, notice shall be deemed to have been given if either (i) notice is sent to that Member by first-class mail or telegraphic or other

written communication to the Association's principal office, or (ii) notice is published at least once in a newspaper of general circulation in said County where the principal office of the Association is located. Notice shall be deemed to have been given at the time when delivered personally or deposited in the mail or sent by telegram or other means of written communication.

(d) Affidavit of Mailing Notice. An affidavit of the mailing or other means of giving any notice of any Members' meeting may be executed by the Secretary, Assistant Secretary, or any other party giving the notice, and, if so executed, shall be filed and maintained in the minute book of the Association.

#### Section 5 - Quorum

(a) Percentage Required. Fifty-one percent (51%) of the voting power, represented in person or by proxy, shall constitute a quorum at all meetings of Members other than adjourned meetings of Members; and thirty-three and one-third percent (33 1/3%) of the voting power, represented in person or by proxy, shall constitute a quorum at all adjourned meetings of Members; provided, however, a quorum for purposes of approval by the Members of increases in Regular Assessments and Special Assessments in excess of the limitations specified in the Section entitled "Limitations on Certain Increases in Regular and Special Assessments" of the Article of the Declaration entitled "Covenant for Assessments" shall be fifty-one percent (51%) of the voting power, represented in person or by proxy, and may not be reduced below that percentage. If a quorum is present, the affirmative vote of a majority of the voting power represented at the meeting, entitled to vote, and voting on any matter, shall be the act of the Members unless the vote of a greater number or voting by classes is required by law or by the Articles, the Declaration or these Bylaws.

(b) Loss of Quorum. The Members present at a duly called or duly held meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum, if any

action taken (other than adjournment) is approved by at least a majority of Members required to constitute a quorum unless the vote of a greater number or voting by classes is required by law or by the Articles, the Declaration or these Bylaws; provided, however, notwithstanding the foregoing, the last sentence of Subsection (a) of this Section shall apply to increases in a Regular Assessment for a particular fiscal year of the Association which is more than twenty percent (20%) greater than the Regular Assessment levied for the immediately preceding fiscal year of the Association.

#### Section 6 - Adjourned Meetings

Any Members' meeting, annual or special, whether or not a quorum is present, may be adjourned from time to time by the vote of the majority of the Members represented at the meeting, either in person or by proxy; provided, however, an adjournment for lack of a quorum shall be to a time not less than five (5) days nor more than thirty (30) days from the time the original meeting was called. If after adjournment a new date is fixed for the adjourned meeting, notice of the time and place of such adjourned meeting shall be given to Members in the manner prescribed for the giving of notice of annual and special meetings of Members. In the absence of a quorum, no other business may be transacted at that meeting, except as provided in Section 5 of this Article IV.

#### Section 7 - Action by Written Consent of Members

(a) General. Other than the election of directors, any action which may be taken at any annual or special meeting of Members may be taken without a meeting if the Association distributes a written ballot to every Member entitled to vote on the matter. The foregoing notwithstanding, the last sentence of Subsection (a) of Section 5 of this Article shall apply to increases in a Regular Assessment for a particular fiscal year of the Association which is more than twenty percent (20%) greater than the Regular Assessment levied for the immediately preceding fiscal year of the Association.

(b) Valid Approval. Approval by written ballot pursuant to this Section shall be valid only when the number of votes cast by ballot within the time period specified in the ballots equals or exceeds the quorum required to be present at an initially held meeting of Members (i.e., not an adjourned meeting of Members) , and the number of votes cast by ballot in favor of the action equals or exceeds the number of votes (including votes by classes) that would be required to approve the action at an initially held meeting of Members (i.e., not an adjourned meeting of Members) at which the total number of votes cast was the same as the number of votes cast by ballot.

(c) Transmittal of Ballots. Ballots shall be delivered personally or by mail or other means of written communication addressed to a Member at the address of such Member appearing in the books of the Association or given by the Member to the Association for purpose of notice; or, if no such address appears or is given, at the place where the principal office of the Association is located or by publication at least once in a newspaper of general circulation in the County in which the principal office is located. An affidavit of transmittal in accordance with the provisions of this subsection, executed by the Secretary or Assistant Secretary, shall be prima facie evidence of the effective transmittal of ballots.

(d) Form of Ballots. Each ballot shall afford the opportunity thereon to specify a choice between approval and disapproval of each matter or group of matters to be acted upon, except that it shall not be mandatory that a candidate for the Board of Directors be named therein. In addition, each ballot shall provide that where a choice is so specified, the vote represented by such ballot shall be cast in accordance with that choice. Finally, the length of time the ballot is to be valid shall be specified therein.

#### Section 8 - Proxies

(a) Right of Members. Every person entitled to vote shall have the right to do so either in person or by one or more agents

authorized by a written proxy, signed by the person and filed with the Secretary of the Association. A proxy shall be deemed signed if the Member's name is placed on the proxy (whether by manual signature, typewriting, telegraphic transmission or otherwise) by the Member or the Member's attorney-in-fact.

(b) Revocability. A validly executed proxy that does not state that it is irrevocable shall continue in full force and effect unless (i) revoked by the Member executing it before the vote cast pursuant to that proxy, by a writing delivered to the Association stating that the proxy is revoked, by a subsequent proxy executed by such Member or by personal attendance and voting at a meeting by such Member, or (ii) written notice of the death or incapacity of the maker of the proxy is received by the Association before the vote pursuant to that proxy is counted; provided, however, that no proxy shall be valid after the expiration of eleven (11) months from the date of the proxy unless otherwise provided in the proxy. The revocability of a proxy that states on its face that it is irrevocable shall be governed by the provisions of the California Nonprofit Corporation Law.

(c) Form of Solicited Proxies. In any election of directors, any form of proxy that is marked by a Member "withhold," or otherwise marked in a manner indicating that the authority to vote for the election of directors is withheld, shall not be voted either for or against the election of a director. Failure to comply with this Subsection shall not invalidate any election of directors held, but may be the basis for challenging the proxy at a meeting. Any form of proxy shall, by its terms, (i) afford the opportunity to specify a choice between approval and disapproval of each matter or group of matters to be acted upon other than the election of directors; (ii) provide that where a choice is so specified by the person giving the proxy, the vote of the proxy holder(s) shall be cast in accordance with that choice; and (iii) identify by name(s) the person or persons who are the proxy holder(s) and, subject to

Subsection (b), last, specify the length of time the proxy is to be valid unless revoked.

(d) Effect of Member's Death. A proxy is not revoked by the death or incapacity of the maker unless, before the vote is counted, written notice of the death or incapacity is received by the Association.

#### Section 9 - Order of Business

The order of business of all meetings of the Members shall be as follows:

- (a) roll call;
- (b) proof of notice of meeting or waiver of notice;
- (c) reading of minutes of preceding meeting;
- (d) reports of Board and officers;
- (e) election of directors, if any are to be elected;
- (f) unfinished business; and
- (g) new business.

#### Section 10 - Parliamentary Procedure

All questions of parliamentary procedure shall be decided in accordance with Roberts Rules of Order.

### ARTICLE V

#### Directors

##### Section 1 - Powers

In addition to the powers and duties of the Board as set forth in the Declaration, the Articles, or elsewhere in these Bylaws, and subject to limitations of the Articles, the Declaration or these Bylaws, and of the California Nonprofit Corporation Law as to action to be authorized or approved by the Members, all corporate powers shall be exercised by, or under the authority of, and the business and affairs of the Association shall be controlled by, the Board. Without prejudice to such general powers but subject to the same limitations, the Board is vested with and shall have the following powers:

- (a) To select, appoint and remove all officers,

agents and employees of the Association, to prescribe such powers and duties for them as may be consistent with law, with the Articles, the Declaration and/or these Bylaws, to fix the compensation of agents and employees and to require from them security for faithful service when deemed advisable by the Board;

(b) To conduct, manage and control the affairs and business of the Association, and to enforce such rules and regulations therefor consistent with law, with the Articles, the Declaration and/or these Bylaws, as the Board may deem necessary or advisable; and

(c) To adopt and use a corporate seal.

#### Section 2 - Number and Qualification of Directors

The Board shall consist of the number of initial directors named in the Articles until changed by amendment of these Bylaws, fixing or changing such number, but in no event shall the authorized number of directors be less than five (5). A person may serve as a director without being a Member.

#### Section 3 - Election and Term of Office

Until the holding of the first annual meeting of the Members referred to in the Article of these Bylaws entitled "Meetings of Members," the Board shall consist of those directors who constituted the first directors of the Association. The directors shall be elected at each annual meeting of Members for concurrent annual terms, but if any such annual meeting is not held, or if the directors are not elected thereat, the directors may be elected for concurrent annual terms at any special meeting of Members held for that purpose. All directors shall hold office until their respective successors are elected.

#### Section 4 - Cumulative Voting

Voting for directors shall be by secret written ballot. Cumulative voting in the election of directors shall be required for all elections in which more than two (2) directors are to be elected. If cumulative voting is required, every Member entitled to vote for any election of directors shall have the right to

cumulate his votes and give one (1) candidate a number of votes equal to the number of directors to be elected, multiplied by the number of votes to which he is entitled, or to distribute his votes on the same principle among as many candidates as he shall think fit. The candidates receiving the highest number of votes up to the number of directors to be elected shall be elected. In connection with the foregoing, the Board shall (i) cause at least one (1) Member to give notice at the meeting and before the voting of such Member's intention to cumulate his votes, and (ii) shall cause all candidates names to be placed in nomination before the voting.

#### Section 5 - Special Voting Rights

The Members excluding Declarant shall be entitled to elect one (1) director under the circumstances set forth in the Declaration. Notwithstanding the provisions of the Section of this Article entitled "Removal of Directors," any director so elected may not be removed without the vote or assent of a majority of the voting power of the Members excluding Declarant.

#### Section 6 - Election Committee

An Election Committee shall be appointed annually by the Board to make rules for and supervise nominations, voting procedures, voting requirements and the orderly and fair election of directors. The Election Committee shall consist of a Chairman, who shall be a member of the Board, and two (2) or more persons who shall be Members; provided, however, so long as any Class B membership is outstanding, the Board may appoint persons who are not Members to the Election Committee. The Election Committee shall make as many nominations for election to the Board as it shall in its discretion determine, but not less than the number of vacancies that are to be filled. Such nominations shall be made at a time so as to permit the Secretary or other persons giving notice of such meeting to Members to include a list of such nominations therewith. Nominations to serve on the Board may also be made from the floor at any meeting of the Members at which directors are elected.

#### Section 7 - Removal of Directors

At any special meeting of the Members notice of which has been properly given as provided in these Bylaws, the entire Board or any individual director may be removed from office as hereinafter set forth, provided that the same notice of said special meeting has also been given to the entire Board or any individual director whose removal is to be considered at such special meeting. The entire Board or any individual director may be removed from office by a majority of the affirmative votes cast in the voting on any motion or resolution for removal. However, unless the entire Board is removed by the vote of Members, an individual director shall not be removed prior to the expiration of his term if the number of votes cast against his removal would be sufficient to elect the director if voted cumulatively at an election at which the same total number of votes were cast and the entire number of directors authorized at the time of the most recent election of such director were then being elected. Upon any such motion or resolution for removal, every Member may cumulate his vote or votes, as the case may be, in the same manner as provided for the election of directors in these Bylaws. In the event that any or all directors are so removed, new directors shall be elected at the same meeting. Notwithstanding the foregoing, a director elected pursuant to the special voting rights set forth in the Declaration may only be removed by the vote of a majority of the Members excluding Declarant.

#### Section 8 - Vacancies

A vacancy or vacancies on the Board shall be deemed to exist in case of the death, resignation or removal of any director, or in the case of a declaration of the Board of a vacancy by reason of a director having been declared of unsound mind by an order of court or convicted of a felony or having been found by final order or judgment by any court to have breached a duty under Sections 7230 and following of the California Nonprofit Corporation Law or any similar statutory section then

in effect. If the Members shall increase the authorized number of directors but shall fail to elect additional directors as provided for at the meeting at which such increase is authorized, or at an adjournment thereof, or in case the Members fail to at anytime elect the full number of the authorized directors, a vacancy or vacancies shall also be deemed to exist. Vacancies on the Board created other than by removal may be filled by a vote of a majority of the remaining directors, though less than a quorum, and each director so elected shall hold office until his successor is elected at an annual meeting of Members or at a special meeting called for that purpose. Vacancies on the Board created by removal may only be filled by the vote of Members. The Members may at any time elect a director to fill any vacancy which the remaining directors are permitted to fill and have not filled, and may elect the additional directors at the meeting at which an amendment of the Articles or Bylaws is voted authorizing an increase in the number of directors. If any director tenders his resignation to the Board, the Board shall have power to elect a successor to take office at such time as the resignation shall become effective. No reduction of the number of directors shall have the effect of removing any director prior to the expiration of his term of office. Notwithstanding the foregoing, a vacancy caused by the death, resignation or removal of any director elected pursuant to the special voting rights set forth in the Declaration may only be filled by vote of a majority of the Members excluding Declarant.

#### Section 9 - Place of Meetings

All meetings of the Board shall ordinarily be held at a place within the Covered Property designated by the Board unless, in the judgment of the Board, a larger meeting room is required than exists within the Covered Property in which case the meeting room selected shall be as close as possible to the Covered Property.

#### Section 10 - Organization Meeting

Immediately following each annual meeting of the Members,

the Board shall hold a regular meeting for the purpose of organization, election of officers and the transaction of other business. Notice of such meeting is hereby dispensed with.

Section 11 - Other Regular Meetings

Other regular meetings of the Board may be fixed from time to time by resolution of the Board; provided, however, should said day fall upon a legal holiday, then the meeting which otherwise would be held on said day shall be held at the same time on the next day thereafter ensuing which is not a legal holiday. Notice of the time and place of any regular meeting shall be posted at a prominent and accessible place or places within the Covered Property and shall be communicated to the directors not less than four (4) days prior to the meeting; provided, however, that notice of the meeting need not be given to any director who has signed a waiver of notice or written consent to holding the meeting. Notices shall be delivered personally to the directors or sent to each director by letter or telegram, postage or charges prepaid, addressed to him at his address as it is shown upon the records of the Association. In case such notice is mailed or telegraphed, it shall be deposited in the United States Mail or delivered to the telegraph company at or near the place in which the principal office of the Association is located at least four (4) days prior to the time of the holding of the meeting. Such mailing, telegraphing or delivery as provided herein shall be due, legal and personal notice to each director. In no event shall regular meetings of the Board be held less than once every six (6) months.

Section 12 - Special Meetings; Notices

Special meetings of the Board for any purpose may be called at any time by the President or by any two (2) directors other than the President. Not less than seventy-two (72) hours prior to the scheduled time set for any special meeting of the Board, written notice of the time and place of such special meeting and the nature of any special business to be considered thereat shall be posted in a prominent and accessible place or places in the

Covered Property and shall be communicated to the directors; provided, however, that notice of the meeting need not be given to any director who has signed a waiver of notice or written consent to holding the meeting. Notices shall be delivered personally to the directors or sent to each director by letter or telegram, postage or charges prepaid, addressed to him at his address as it is shown upon the records of the Association. In case such notice is mailed or telegraphed, it shall be deposited in the United States Mail or delivered to the telegraph company at or near the place in which the principal office of the Association is located at least seventy-two (72) hours prior to the time of the holding of the meeting. Such mailing, telegraphing or delivery as provided herein shall be due, legal and personal notice to each director.

#### Section 13 - Notice of Adjournment

Notice of adjournment of any Board meeting, either regular or special, need not be given to absent directors, if the time and place are fixed at the meeting adjourned.

#### Section 14 - Entry of Notice

Whenever any director has been absent from any special meeting of the Board, an entry in the minutes to the effect that notice has been duly given shall be prima facie evidence that due notice of such special meeting was given to such director as required by law and by these Bylaws.

#### Section 15 - Waiver of Notice

The transaction of any business at any meeting of the Board, however called and noticed to the directors, shall be as valid as though had at a meeting duly held after regular call and notice, if a quorum be present, and if, either before or after the meeting, each of the directors not present signs a written waiver of notice or a consent to holding such meeting or an approval of the minutes thereof. All such waivers, consents or approvals shall be filed with the records of the Association or made a part of the minutes of the meeting.

#### Section 16 - Quorum

A majority of the number of directors as fixed by the Articles or these Bylaws shall be necessary to constitute a quorum for the transaction of business, except to adjourn as hereinafter provided. Every act or decision made or done by a majority of the directors present at a meeting duly held at which a quorum is present shall be regarded as the act of the Board.

#### Section 17 - Adjournment

A majority of a quorum of the directors may adjourn any Board meeting to meet again at a stated day and hour; provided, however, that in the absence of a quorum, a majority of the directors present at any Board meeting, either regular or special, may adjourn from time to time until the time fixed for the next regular meeting of the Board.

#### Section 18 - Presiding Officer

The members of the Board shall elect one (1) of their number to act as Chairman. The Chairman shall preside at all meetings of the Board.

#### Section 19 - Attendance of Board Meetings by Members

Regular and special Board meetings shall be open to all Members; provided, however, no Member who is not an officer or director shall participate in any deliberation or discussion unless expressly authorized by a majority of a quorum of the Board. The Board may, upon the vote of a majority of the Board's quorum, adjourn a Board meeting and reconvene in executive session exclusive of all Members who are not directors to discuss and vote upon personnel matters, litigation in which the Association is involved and other similar matters requiring confidentiality. The nature of any and all business to be so considered in executive session shall be announced in open session.

#### Section 20 - Action by Written Consent in Lieu of Meeting

Any action required or permitted to be taken by the Board may be taken without a meeting if all members of the Board shall individually or collectively consent in writing to such action;

provided, however, if the Board takes action by unanimous written consent of all of its members, a written explanation of such action taken shall be posted at a prominent place or places within the Covered Property within three (3) days after the written consent of all directors have been obtained. Such written consent or consents shall be filed with the minutes of the proceedings of the Board and shall state that the action was taken by unanimous written consent of the Board without a meeting, and that these Bylaws authorized the directors to so act. Such action by written consent shall have the same force and effect as a unanimous vote of such directors.

ARTICLE VII

Indemnification of Directors,  
Officers and other Agents

Section 1 - Definitions

For the purpose of this Article,

(a) "agent" means any person who is or was a director, officer, employee, or other agent of the Association, or is or was serving at the request of the Association, as a director, officer, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise, or was a director, officer, employee, or agent of a foreign or domestic corporation that was a predecessor corporation of the Association, or of another enterprise at the request of the predecessor corporation;

(b) "proceeding" means any threatened, pending, or completed action or proceeding, whether civil, criminal, administrative, or investigative; and

(c) "expenses" includes, without limitation, all attorneys' fees, costs, and any other expenses incurred in the defense of any claims or proceedings against an agent by reason of his position or relationship as agent and all attorneys' fees, costs, and other expenses incurred in establishing a right to indemnification under this Article.

Section 2 - Successful Defense by Agent

To the extent that an agent of the Association has been successful on the merits in the defense of any proceeding referred to in this Article, or in the defense of any claim, issue, or matter therein, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in connection with the claim. If an agent either settles any such claim or sustains a judgment rendered against him, then the provisions of Sections 3 to 5, inclusive, shall determine whether the agent is entitled to indemnification.

Section 3 - Actions Brought by Persons

other than the Association

Subject to the required findings to be made pursuant to Section 5, below, the Association shall indemnify any person who was a party, or is threatened to be made a party, to any proceeding other than an action brought by, or on behalf of, the Association, or by an officer, director or person granted related status by the Attorney General, or by the Attorney General on the ground that the defendant director was or is engaging in self-dealing within the meaning of Section 5233 of the California Nonprofit Corporation Law or any similar statutory section then in effect by reason of the fact that such person is or was an agent of the Association, for all expenses, judgments, fines, settlements and other amounts actually and reasonably incurred in connection with the proceeding.

Section 4 - Action Brought by  
or on Behalf of the Association

(a) Claims Settled Out of Court. If any agent settles or otherwise disposes of a threatened or pending action brought by

or on behalf of the Association, with or without court approval, the agent shall receive no indemnification for either amounts paid pursuant to the terms of the settlement or other disposition or for any expenses incurred in defending against the proceeding.

(b) Claims and Suits Awarded Against Agent. The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action brought by or on behalf of the Association, for all expenses actually and reasonably incurred in connection with the defense of that action, provided that both of the following are met:

(i) The determination of good faith conduct required by Section 5, below, must be made in the manner provided for in that Section; and

(ii) Upon application, the court in which the action was brought must determine that, in view of all of the circumstances of the case, the agent should be entitled to indemnity for the expenses incurred. If the agent is found to be so entitled, the court shall determine the appropriate amount of expenses to be reimbursed.

#### Section 5 - Determination of Agent's Good Faith Conduct

The indemnification granted to an agent in Sections 3 and 4, above, is conditioned on the following:

(a) Required Standard of Conduct. The agent seeking reimbursement must be found, in the manner provided below, that he acted in good faith, in a manner he believed to be in the best interest of the Association, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use in similar circumstances. The termination of any proceeding by judgment, order, settlement, conviction, or on a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith or in a manner which he reasonably believed to be in the best interest of the Association or that he had reasonable cause to believe that his conduct was unlawful. In the case of a criminal

proceeding, the person must have had no reasonable cause to believe that his conduct was unlawful.

(b) Manner of Determination of Good Faith Conduct. The determination that the agent did act in a manner complying with subparagraph (a), above, shall be made by:

(i) the Board by a majority vote of a quorum consisting of directors who are not parties to the proceeding; or

(ii) the affirmative vote (or written ballot) of a majority of the total votes of the Members of the Association, with the persons to be indemnified not being entitled to vote hereon; or

(iii) the court in which the proceeding is or was pending, upon application made by the Association or the agent or the attorney or other person rendering services in connection with the defense of the agent, whether or not the application by the agent, attorney, or other person is opposed by the Association.

#### Section 6 - Limitations

No indemnification or advance shall be made under this Article, except as provided in Sections 2 or 5(b)(iii), in any circumstance when it appears:

(a) that the indemnification or advance would be inconsistent with a provision of the Articles, a resolution of the Members, or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or

(b) that the indemnification would be inconsistent with any condition expressly imposed by a court in approving a settlement.

#### Section 7 - Advance of Expenses

Expenses incurred in defending any proceeding may be advanced by the Association before the final disposition of the proceeding on receipt of an undertaking by or on behalf of the agent to repay the amount of the advance unless it is determined ultimately that the agent is entitled to be indemnified as

authorized in this Article.

Section 8 - Contractual Rights of  
Non-Directors and Non-Officers

Nothing contained in this Article shall affect any right to indemnification to which persons other than directors and officers of the Association, or any subsidiary thereof, may be entitled by contract or otherwise.

Section 9 - Insurance

In addition to insurance required by the Declaration, the Board may adopt a resolution authorizing the purchase and maintenance of insurance on behalf of any agent of the Association against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, whether or not the Association would have the power to indemnify the agent against that liability under the provisions of this Article.

ARTICLE VIII

Records and Reports

Section 1 - Inspection Rights

Any Member of the Association may:

(i) inspect and copy the membership register containing records of Members' names and mailing addresses and telephone numbers, and voting rights, during usual business hours on five (5) days' prior written demand on the Association, stating the purpose for which the inspection rights are requested; and

(ii) obtain from the Secretary, on written demand and on the tender of the Secretary's usual charges for such a list, if any, a list of names and addresses of Members who are entitled to vote for the election of directors, and their voting rights, as of the most recent record date for which that list has been compiled, or as of a date specified by the Member after the date of demand. The demand shall state the purpose for which the list

is requested. This list shall be made available to any such member by the Secretary on or before the later of ten (10) days after the demand is received or the date specified in it as the date by which the list is to be compiled. The minutes and accounting books and records shall be open to inspection on the written request of any Member at any reasonable time during usual business hours for a purpose reasonably related to the Member's interests as a Member. The inspection may be made in person or by an agent or attorney, and shall include the right to copy and make extracts at the Member's expense. In respect to such inspection by any Member, the Board shall adopt reasonable rules in conformance with Section 8330 of the California Nonprofit Corporation Law with respect to:

- (i) Notice to be given to the custodian of the document-

to be inspected by the Member desiring to make the inspection;

(ii) Hours and days of the week when such inspection may be made; and

(iii) Payment of the cost of reproducing copies of documents requested by a Member.

#### Section 4 - Inspection by Directors

Every director, First Mortgagee, Mortgage servicing contractor and insurer and guarantor of a First Mortgage shall have the absolute right at any reasonable time to inspect all books, records, and documents of every kind and the physical properties owned or controlled by the Association. This inspection may be made in person or by an agent or attorney, and the right of inspection includes the right to copy and make extracts of documents.

#### Miscellaneous

##### Section 1 - Record Date

The Board may fix a time, in the future, not exceeding fifteen (15) days preceding the date of any annual or special meeting of the Members, as a record date for the determination of the Members entitled to notice of and to vote in person or by ballot at any such meeting, and in such case only Members of record on the date so fixed shall be entitled to notice of and to vote at such meeting, notwithstanding any transfer of any membership on the books of the Association after any record date so fixed.

##### Section 2 - Checks and Drafts

### Section 4 - Financial Reports

The Board shall cause the following financial information to be regularly (except in the case of (d), below) prepared and distributed to all Members regardless of their number or the amount of the assets of the Association:

(a) A budget for each fiscal year containing at least the following information shall be distributed not less than forty-five (45) days nor more than sixty (60) days prior to the beginning of such fiscal year --

If any Member requests that a copy of such information be mailed to such Member, the Association shall mail the same to such Member by first-class mail at the expense of the Association so that the same is delivered to such Member within five (5) days. The written notice contained in such summary distributed to the Members shall be in at least 10-point bold type on the front page of such summary.

#### Section 5 - Preparation of Annual Report

If the annual report referred to in Subsection (b) of Section 4 of this Article has not been reviewed by an independent licensee of the California State Board of Accountancy, it shall be accompanied by the certificate of an authorized officer of the Association certifying that the same was prepared without audit from the books and records of the Association. When such annual report has been reviewed by an independent accountant, any Mortgagee, Mortgage servicing contractor, insurer or guarantor of a Mortgage shall be entitled to receive a copy thereof and of such review upon request; and when such annual report has not been reviewed by an independent accountant, any Mortgagee, Mortgage servicing contractor, insurer or guarantor of a Mortgage shall be entitled to receive a copy thereof and to have an audited annual report (and any other financial report) of the

(b) Reserve Withdrawals. The signatures of at least two (2) persons either both of whom shall be directors or one (1) of whom shall be a director and the other of whom shall be an officer but not a director shall be required for the withdrawal of monies from the Association's reserve accounts. For purposes hereof, "reserve accounts" shall mean and refer to accounts which the Board has identified from its annual budget as accounts containing funds for use to defray the future repair or replacement of, or additions to, those major components which the Association is obligated to maintain.

(c) It is the intention of this Section 6 to comply with California Civil Code Section 1365.5 of any similar statutory section then in effect.

Notwithstanding the foregoing, as long as there is a Class B membership, these Bylaws may be

amended or repealed, and new Bylaws may be adopted, only by the vote or written assent of a majority of the voting power of the Members present and entitled to vote at a meeting of Members duly called for such purpose, which majority shall include not less than a majority of the voting power of each of the Class A and Class B membership; provided, however, in addition thereto, such action shall also require the prior written approval of the Veterans Administration ("VA"), and, in this regard, a draft of the instrument of amendment or repeal or adoption shall be submitted to the VA for its written approval prior to its submission to the membership of the Association for approval and shall thereafter only be submitted to the membership of the Association for approval after the VA has approved the same in writing.
